

INDIVIDUAL ADVISING APPOINTMENT FORM

DESCRIPTION OF THE SERVICE:

The US Educational Advisory Service (EAS) offers a 30-minute essay review service for students who are writing application essays for US universities and/or independent scholarship organisations (except Fulbright Awards). Each essay will be read by two advisers; one of these advisers will then meet with you during your actual appointment. (Please note that essays and CVs/biographies will be kept confidential by the advisers.) The charge for this service is **£25 per essay**.

Please note, however, it is not necessary for students with general enquiries about US study to make an appointment, and there are always advisers available to answer general questions *free of charge* during our open hours.

DISCLAIMER:

Comments and suggestions made by advisers at EAS are their opinions only. Neither EAS nor its advisers can be held liable for the outcome of any comments or suggestions the advisee chooses to use. Please sign below to indicate that you have read our "Instructions for Scheduling an Individual Advising Appointment" and that you understand and agree to these conditions.
